**Re: Cezary Mikolajczyk**

It is with great pleasure that I write this reference for Mr Mikolajczyk.

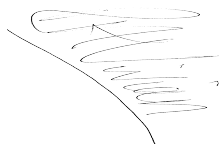

In April and then August of 2005 we requested several documents to be translated from English into Polish, several of which we needed urgently. Mr Mikolajczyk was not only quick, but when we handed out the literature to our Polish employee's, we had no problems with the men understanding the complex information that they needed to be able to complete their work in a safe manner.

We have also had the need of Mr Mikolajczyk's skills as a translator. Mr Mikolajczyk's attitude was professional and our employee's warmed to him. The men understood what was said and the following questions were detailed and specific.

I believe that Mr Mikolajczyk's work speaks for it's self, which is why I have enclosed a copy of the translation that he has done for us.

Should you wish to discuss this with me please do not hesitate to contact me on the above details.

Yours Faithfully,

Mrs R Vivian  
Personnel Officer
